

## **DIRECTORATE GENERAL OF CGHS**

It is for the information of CGHS beneficiaries, particularly for pensioners, that around 95% of the empanelled hospitals are continuing with cashless facility. Pending bills stand cleared and is no longer an issue. For revision of rates, CGHS has received bids from 1075 hospital/diagnostic centers etc. which is a much higher number than the existing 791 empanelled hospitals/diagnostic center etc.

**DIRECTOR, CGHS**
